PUBLIC NOTICE

Announcement of Availability of Project Information for Proposed Route 1 Union Landing Viaduct Storm Damage Permanent Restoration Project

WHAT IS PLANNED

The California Department of Transportation (Caltrans) is proposing a storm damage repair project on Route 1 in Mendocino County near Westport Union Landing Beach State Park, approximately 20 miles north of Fort Bragg, from postmile 82.1 to 82.3. Caltrans proposes to construct two retaining walls, replace metal beam guardrail, relocate telephone utilities, improve drainage, and repave roadway. Construction is scheduled to begin in spring 2010 and end winter 2011 at an estimated cost of \$3 million.

WHAT IS AVAILABLE

The environmental document for this project is called an Initial Study. The document will be available for review from June 15, 2008 to July 15, 2008 at the Fort Bragg Public Library at 499 East Laurel Street, Fort Bragg, CA 95437. The document and associated technical studies are also available for review and copy on weekdays between 8:00 a.m. and 5:00 p.m. at the Caltrans Office of Environmental Management M-1, 703 B Street, Marysville, CA 95901.

The document is also available on the Internet at the following website:
